

THERE'S MORE TO ENJOY

Spa facilities include a sauna and private hot pools, as well as a workout area with cardio equipment and free weights. Yoga teachers and personal trainers are available by prior arrangement.

Our spa is a luxurious retreat for health, beauty and well-being. Set within the breathtaking grounds of Gibbston Valley, it is conveniently located just a few minutes' walk from our sumptuous villas.

Three private spa treatment rooms offer a serene, relaxing environment for body treatments, luxury facials and our signature spa packages. Experienced therapists offer spa treatments that are tailored to your particular needs.

We choose high-quality, sustainable and eco-friendly products such as TheraVine, which uses different parts of the grape and vine to benefit the skin, and locally made favourites, such as Nellie Tier.
